## TOP ENTREPRENEURS TO TALK AT PREMIERE INDIANA CONFERENCE

Featuring Ari Weinzweig, founder of the "Coolest Company in America"

Join other entrepreneurs in learning from some of Indiana's best and upcoming entrepreneurs, alongside of Ari Weinzweig, founder of Zingerman's Delicatessen. These entrepreneurs will join together to share their experiences of growing innovative companies at a new statewide conference to be held this fall.

The Entrepreneurial Network (TEN), a consortium of more than 160 Indiana company founders, has created the TEN Conference, a day-long event that will present ten of the top Indiana entrepreneurs in a high-impact, twenty-five minute talk format. Each founder will reveal what discoveries they have made in the process of growing their companies.

The Conference will be held on Thursday, September 15<sup>th</sup> at the newly-constructed Commons Conference Center in the heart of Downtown Columbus, Indiana. Conference registration is available online at [www.tenconference.com](http://www.tenconference.com).
